Old Business (Angela Fite)

- **Valentine’s Day Party** – February 11
- **Board Positions** – President and VP President Positions still open.
- **Yearbook** – on schedule

New Business (Angela Fite)

- **Box Tops** – Feb 8-19
- **Spring Fundraiser??** – Board has elected to NOT have a spring fundraiser. We have many upcoming events the next few months and our current account balance is in good standing. Along those lines, there was discussion about an all school activity, but, again, the group felt that we had too many existing activities scheduled. In the future, we may look into a McDonalds CCE PTA night out of convenience and fun that may yield extra income. Also potential “fun” activity discussed were father/daughter dance, son/mom game night, dodge ball, etc. We will re-visit in the future.
- **Carnival** – In the process of scheduling an outside meeting to effectively plan upcoming CCE Carnival.
- **Community Outreach (Christie Hammond)** – Christie is looking to coordinate the group’s next service project along with existing building events.
- **May 2-6** - Teacher Appreciation Week
