Old Business (Angela Fite)

- **Dad's Breakfast** – Money counting starts Monday. Donut prices went up this year. Will have projected sales/budget next week.
- **Variety Show** – Variety Show went very well. Popcorn a big hit. Many thanks to Beth Omer.
- **Carnival** – Majority of planning underway. Liz busy delegating. Forms being created, decision was made to pay for face painting and photo booth at the door. Wristbands on order. Poppy's ice cream truck and inflatables secured. Room parents will be in charge of classroom silent auction baskets. Carnival volunteers will receive a free hot dog.

New Business (Angela Fite)

- **Yearbook** – Deadline approaching – will be met.
- **Cookies for Choir/Strings/Band/Performance** – Mrs. Begley asked PTA to provide cookies for upcoming performance. PTA approved and will organize purchase and sharing at concert.
- **Kindergarten Registration 3/29 : 5:30 – 6pm** – PTA plans to recruit and represent at upcoming registration.
- **Map Testing Snacks** – Kids will bring their own snacks this year.

Principal's Report (Jen Opie)

Mrs. Opie has put in a request for PTA to help fund one of a couple of projects planned for the 2016/17 school year.

1. **Collaboration Station** for old computer lab – Would follow BCMS model. Includes flat screen tvs, 7 or 8 rolling carts, tables (previously donated), other miscellaneous items.
2. **Science Lab** – Would be intended for either a part of Project Lead The Way Initiative or part of basic CCE science curriculum.

Both requests would have impact our entire school. Mrs. Opie will get more exact numbers late spring, when PTA will budget 2016/17 school year. Either project will be an exciting direction to steer next years' fundraising efforts.
